

The 2014 BBP training is open online (instructions below). Please complete your training by **4/20/14** and let me know so I can pull your scores and mark you as complete.

If you have someone (*student, volunteer, OPS*) who has contact with biohazards and should be trained but I have not copied please let me know so I can register them in the online course.

1.) Login to e-Learning in Sakai.

<http://lss.at.ufl.edu>

Click on the “e-Learning Login” button.

e-Learning Login →

Enter your Gatorlink username and password where prompted and then click on the “Login” button.

If you have forgotten your Gatorlink username or password, please contact the UF Computing Help Desk staff at (352) 392-4357 or helpdesk@ufl.edu

2.) After you have logged in, you will land on the “My Workspace” page.

3.) Look for ***Neurology 2014 Clinical BBP/BMW Training*** across the top of the page or click the link for “My Active Sites” to find it if you are enrolled in multiple Sakai courses.

**Follow the specific instructions in this Sakai site for completing the Blood Borne Pathogen and Biomedical Waste Training requirements as designated by UF’s Biosafety Office.

Begin at the link for “training” once you have entered the site.

Once you've spent time learning the material, you are ready to be assessed.

Go to the ***Tests & Quizzes*** tool to complete the test/tests.

- ***2014 Clinical Bloodborne Pathogen and Biomedical Waste Quiz***

Note that you are provided 2 attempts for a passing score on each of these quizzes (75% >).

It is *recommended* that you use a hard wired connection (not Wi-Fi) when completing online testing and also use the recommended browsers/ versions for e-Learning at UF.
